

REMARKS

Applicants appreciate the careful consideration and favorable treatment of the claims by the Examiner in which claims 2-16, 18-32 and 34-36 have been allowed and claim 1 is indicated as containing allowable subject matter.

Claim 1 stood only objected to based on an inadvertent underlying of a semi-colon after the word “study” in the claim which was indicated as “Previously Presented”. Applicants show this claim in its correct, clean format (no underlying under the semi-colon) and therefore, this objection should be withdrawn.

The prior art rejection of claim 17 is moot in view of the cancellation of this claim in the present Amendment.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.
